Dear Bill:

Bill Bader inquired of a person here who might be helpful to one of your teams on NSC History. I suggested Jim Lay's "Organizational History of the National Security Council" for a starter. His article was written for the use of the Government Operations Subcommittee on National Policy Machinery and published by the GPO in 1961. I have also spoken to Jim Lay of your interests. I advised your investigator of this call and suggested he make direct contact.

Sincerely,

(signed)
